

**“I learned not to let fear of failure stop me from pursuing my goals in life. This courage has resulted in major successes in both my career and personal life.”**

## **The AsiaWorks Core Curriculum**

---

### **The Advanced Course**

Building on the self-discovery and awareness created in the Basic Training, this powerful follow-on course focuses on interpersonal relationships, actions and results.

In the AsiaWorks Advanced Course, you will have a powerful opportunity to reconnect with the passion for living every moment of your life to the fullest. You will be challenged to stretch beyond what you believe are your current limits and you will discover that you are capable of far more than you imagined possible.

In five days, you will experience the energy and vitality that comes with unlocking your potential and passion and come away with a sense of certainty and self-confidence which spills over into every area of your life.

The AsiaWorks Basic Training is a pre-requisite for attending the Advanced Course. It is offered monthly in cities throughout Asia.
